THE ORPHEUM CHORUS GIRLS

The attraction at the New Orpheum this evening will be the laughable musical farce "Get Me a Baby," described as one of the best farces of its kind ever written. It is said to be chock full of bright lines with up-to-date musical interpolations. All of the Orpheum favorites including Maude Rockwell, Ethel Canfield, Olga Stech, Elise Schuyler, Harry Stuart, Harry Garrity, Harris McGuire, Laurel "Ryan's Reception" will follow "Get and novel specialties. The advance sale indicates another crowded house this evening and throughout the week. "Ryan's Reception" will follow "Get Me a Baby" Thursday evening.

AT THE THEATERS

Splendid houses were realized by all the theater managements Saturday night. The weather was at its best and a good part of the town seemed to take advantage of it. At the Orpheum the audience was the best since the opening nights of the present company, and the entertainment was greatly enjoyed. The Park, Empire and Art theaters had overflow audiences, neither being able to seat the crowds for over an hour. The Novelty was very little behind the others.

THE PARK TONIGHT.

At the Park theater this evening Miss Ethel May will sing "In the Garden of my Heart" and "Kentucky Babe," and George Gardner will present an Irish ballad entitled "The skippers of St. Yves." Mr. Gibson will make his farewell appearance tonight going on with J. V. Gibson in a comedy stunt. Carl Wallner will appear in a funny sketch with one of the Desmond graces, while Mr. Thompson will sing "Where the river Shannon flows." Altogether the vaudeville program will be an excellent one, and the picture display of the best.

AT THE NOVELTY.

A highly satisfactory program was put on before a crowded house at the Novelty theater Saturday night. Tonight there will be a complete change with new and startling features.

The servant were abed and the doctor answered the bell himself. A colored man stood on the steps holding a large package.

"Is Miss Matildah, the cook, at home, sah?" asked the man.
"Yes, but she has retired," returned the doctor.

"Can I leab dis for her, sah?" asked the old man.

"Certainly," said the doctor.

He took the bundle, from which flowers and buds could be seen protruding, and, after bidding the man good night, carefully deposited it, paper and all, in a pan of water in the kitchen.

The doctor thought nothing more about the affair until he heard Matildah's angry voice raised in conversation with the maid.

"Ef I had de pusson beah," cried the cook, "dat put mah new spring hat in dis yer pan, I'd scald 'im for sho!"

COALING MONTCALM 20,000 TEACHERS
WILL BE THERE

Coaling preparations were being made this morning on board the big French cruiser Montcalm, the actual dirty work of coaling ship probably starting on Monday morning. Just enough coal to take her to San Francisco will be put on board, the total amount needed being about a thousand tons.

Several members of the consular corps called this morning on the big gray ship each of them receiving an official salute as they left, with the flag of the country they represented at the fore peak while the guns barked forth honors from the forward fighting top.

The exact date of departure has not been decided upon for the Montcalm's departure, but it is doubtful if she will get away much before the end of next week. The Admiral and officers of the ship will entertain at a big dinner tomorrow night for Admiral Rees and the other commanding officers of the Army and Navy stationed here in Honolulu.

CERTAIN:

1. It is better to OUTLAW the saloon than to LICENSE it.
2. Prohibition greatly reduces drinking. That is why the liquor dealers are fighting it.
